## LOCATION & TRANSPORTATION

Norwood is located in Eastern Massachusetts, 14 miles south of Boston, 30 miles north of Providence, RI and 205 miles from New York City. Located in the Greater Boston Area, it has excellent access to rail, air, and highway facilities plus the port and intermodal facilities of Boston. Principal highways for Norwood are Interstate Route 95, U.S. Route 1, and State Route 1A, which all run between the inner and outer belts of Routes 128 and 495 that connect many of New England's business and residential centers.

The Talbot Building

Norwood is linked to Boston through commuter rail service to Back Bay Station and South Station. Amtrak's passenger service between Boston and New York City stops at the nearby Route 128 Station which is just a few minutes from Norwood center. Norwood is a member of the Massachusetts Bay Transportation Authority (MBTA), with fixed route bus service between Walpole and the Forest Hills Orange Line Station. Within town service is also available through Transfare Inc. Norwood Memorial Airport offers two 4,000 feet long asphalt runways; non-precision instrument approaches available. The Airport is an important center of corporate aviation for the greater metropolitan Boston region as many corporate

Norwood Central Train Station

aircraft and charter flights use it to access connections to flights at Boston's Logan Airport and T.F. Green Airport in Providence, R.I. The airport is also available 24/7 for regional emergency medical transport and inter-hospital organ donor flights.

# Centrally Located & Business Friendly

Norwood's proximity to Boston and access to major east coast population centers has attracted corporations Analog Devices, Inc, Mystic Scenic Studios, Mercer, Martignetti, UPS, Siemens, Four Points by Sheraton, Ramada, Boch Enterprises, Caritas Norwood Hospital, Cramer, Instron and Marriott Courtyard.

Aspect Medical

**Norwood Center** is the vibrant commercial center for Neponset Valley that has built a sense of place around the themes of specialty shopping, dining and entertainment and historic preservation. Norwood Center is the Town's civic and cultural center, supporting retail, office and residential development with convenient access to Metropolitan Boston and the suburbs. It is a welcoming, pedestrian-friendly place with updated storefronts, street furniture, pedestrian scale lighting, and numerous outdoor events. A public/private revitalization effort, led by the Downtown Steering Committee, meets regularly with local property owners and local officials to undertake a range of revitalization efforts focused around marketing and promotion, regulatory reform, and physical improvements.

## Norwood Economic Development Committee

With seven appointed officials, the Norwood Economic Development Committee's mission is to develop, improve, and maintain the town's commercial tax base through the encouragement of community compatible industries that can create and offer well paying jobs for Norwood residents, contribute to the greater good. Thoughtful decisions

that embrace the 'quality of life' questions first and foremost are driven by the desire to realize the shared community vision.

## Local Economic Development Incentive Programs And Initiatives TAX INCREMENT FINANCING (TIF)

The TIF Plan, completed by the Town of Norwood, describes proposed public

and private investment in the TIF Zone, and is agreed upon by the municipality and all the private owners in the TIF Zone. The Town and the prospective Certified Project candidate agree to a property tax exemption based on a percentage of the value added through new construction or significant improvement for a period of no less than five and no more than twenty years.

The real estate taxes generated by the new increased assessed value are then allocated by the agreed-upon percentage of value added to one or more of the three following categories:

- Exemption from real estate taxes.
- Payment of real estate taxes.
- Payment of betterment fee in lieu of real estate taxes to finance related infrastructure.

Each category, if necessary, may change from year to year. The percentage of allocation is calculated in a formal,

# Norwood

negotiated agreement between the municipality and the Certified Project candidate. TIF serves to pass the tax savings on to property owners for use in project development, while ensuring that the development risk is borne by those parties as well.

**CHAPTER 43D - Vanderbilt Avenue Expedited Permitting District**

Located on Route 1 North-Vanderbilt Avenue is a 200-acre commercial zoned site comprised of 42 parcels of land ranging from 1 to 28 acres. With approximately 1.7M sq. feet of existing commercial space, the site has been assessed at over \$150M (\$2.3M in property tax). The site is in the process of being designated as an Expedited Permitting District, a designation that:

- Provides a transparent and efficient process for municipal permitting
- Guarantees local permitting decisions on priority development sites within 180 days
- Increases visibility of your community and target development site(s)

# Recreation Activities, Events and *Places of Interest*

A sports-minded and family-oriented community, Norwood has always had numerous activities for its residents. In addition to the many extracurricular sports programs in the public schools, there are also extensive youth soccer and basketball programs plus indoor sports and many other activities for all ages offered at the Civic Center on Nahatan Street. Norwood also has many civic organizations for youth groups and adults, including enthusiasts of history, art, theatre, and music.

**N**orwood offers a wide variety of fine dining, family style, delis, sandwich, seafood, and pizza restaurants and cafes to choose from. Dining options abound and include award-winning ethnic dining experiences (including Italian, Thai, Chinese, Indian, Mexican, and Middle Eastern), upscale bistros and lounges, familiar places, great breakfast stops, and many local places that have been the mainstay of families for generations.

## **Norwood Recreation Department**

The Civic Center on 165 Nahatan Street is the home of the Norwood Recreation Department. This full service Community Center includes offices, meeting rooms, a game room, arts & crafts room, locker rooms with sauna and showers and a 3,000 square foot co-ed workout facility. The gymnasium offers programs such as basketball, floor hockey, dance instruction, aerobics, gymnastics, and

## *Norwood Day*

**This activity-filled event draws up to 15,000 people from the town and surrounding area. Norwood Day is an opportunity for local organizations such as the**

special programs. The building's second floor houses the School of Dance with studio and parents' room plus space for programs from Yoga to self-defense.

A recreation program guide and calendar is produced seasonally to offer a diverse range of programs for all ages, from dance to sports to music & arts to "One Day Hits"—fun programs and events for families. Two public pools, Hayes and Father Mac's are open to residents (seasonally.) Activities include swim lessons, adult swim, general swim, water aerobics and swim camp.

## **Norwood Senior Center**

Located at 275 Prospect Street, the Norwood Senior Center offers many legal, financial, recreational, and medical services plus a host of activities including bridge, whist, cribbage, bingo, scrabble, exercise classes, oil painting, entertainment, bus trips and more.

### Norwood Country Club

This 18-hole, par 71 golf course is conveniently located on Route 1 behind the Chateau Restaurant and Hampton Inn close to Route 95. Designed by Sam Mitchell, built by Frank Simoni and opened in 1975, Norwood Country Club also offers a pro shop, cocktail lounge and full-service, lighted driving range. ### The Norwood Evening Garden Club

Brings together enthusiastic gardeners from Norwood, Walpole, Westwood and surrounding towns to learn about horticulture and floral design, share knowledge and expertise, and make our communities more beautiful through civic projects. Meetings and programs are open to all. [www.norwoodeveninggardenclub.com](http://www.norwoodeveninggardenclub.com)

## ARTS & CULTURE

### Norwood Cultural Council

Has been an advocate for the Arts and arts programming in Norwood for about twenty-five years. Through grant money, the council helps fund programs such as enrichment at the elementary and middle schools, music and dance programs at the Senior Center, artists demonstrations and lectures for the Norwood Art

Association, the carillon bell concerts you hear on Monday nights in the summer, and lectures and programs at the Morrill Memorial Library. [norwoodculturalcouncil@yahoo.com](mailto:norwoodculturalcouncil@yahoo.com)

### Norwood Art Association, Inc.

A nonprofit organization founded in 1978, provides members the opportunity to meet and learn about fine art and enjoy the camaraderie of other art enthusiasts in a neighborhood setting. Memberships open to all.

## Carillon Concert Series

**Sponsored by the Town of Norwood, the Norwood Women's Community Committee, and private donations, the Summer Carillon Series offers free concerts from June through August on Monday evenings from 7 to 8 p.m. A gift from a prominent local banker and civic leader, Norwood's 50-bell Memorial Carillon was cast in England and dedicated on Armistice Day in 1928.**

### The F. Holland Day House

Home of the Norwood Historical Society and the Norwood History Museum. Listed on the National Register of Historic Places, the Day House was built in 1859 as the home of Fred Holland Day, the only son of prominent families in the tanning industry that flourished in Norwood during the 19th century. The Historical Society houses a local history collection plus the archives of F. Holland Day. It also offers several annual events, including a Victorian Christmas House tour, local book signings, Madrigal signer performances and more. ## Utilities

Electricity is provided by the **Norwood Municipal Light Department** who offer some of the lowest rates in Massachusetts. Being a local provider, power interruptions are minimal and response time to interruptions is remarkable.

The Norwood Light Department is also one of three municipal utility departments in Massachusetts that also provide Cable Television, Internet Access, and Telephone services to residents and businesses. In 2005 Norwood became the first to offer voice-over-internet (VoIP) phone service and offers significantly lower rates than conventional phone-service companies. Dedicated fiber optic services are available to businesses whose internet and telephone service are mission critical.

## Telecommunications

**The Hidden Jewel of Norwood**  
**Norwood Light Broadband**, a division of the Municipal Light department brings a unique advantage to businesses in Norwood.

In 2001, a Hybrid Fiber Coax Network was built throughout the town to provide Cable Television and Internet Access to the residents and businesses. A large quantity of extra fiber was included in the build-out in order to provide World Class business telecommunication services, which are ordinarily found only in metropolitan communities. Existing businesses are able to convert from traditional T1 type services over copper wires to dedicated bandwidth over lightning fast and reliable fiber optic service.

Businesses moving into Norwood are often astonished by how fast and easy it is to establish these Enterprise Level services with Norwood Light Broadband. Since the staff is located in Norwood, New Circuits, Service Changes and Troubles are handled quickly.

**When telecommunication services are mission critical, there are very few communities in Massachusetts, outside of Boston, that can provide an equal level of service.**
